

Merry Christmas!

Dear Friends,

As the glorious Christmas season approaches, all of us here at St. Joseph's are reminded of words spoken long ago, "Christmas is the spirit of sweet friendship that brightens all year. It is thoughtfulness and kindness." While the author of these thoughts is not known, we here at St. Joseph's most definitely know to whom we can apply these words---you!!!

As this year draws to a close, if by chance you are in need of another tax credit, we would be most grateful. Any contribution is greatly appreciated and will be utilized for enhanced care and services for our residents as always.

Please know that we give voice to our thankfulness for you, asking our Heavenly Father to "grant you joy of heart and an abiding peace."(Sirach 50:23). You are in our hearts and prayers constantly.

We are also pleased to announce that St. Joseph's Nursing Home remains a five-star facility, and was again ranked #1 of all long term care facilities in the State of Maryland.

We hope that you and your loved ones have a blessed Christmas Season, and we wish you countless joys and blessings for the New Year!

With our gratitude and prayers,

Sister Krystyna Mroczek, SSMI
Administrator

Our goals are as simple as they are spiritual:

- ❖ Spread the word of God
- ❖ Help individuals strengthen their lives of faith and Christian morals
- ❖ Increase devotion to the Blessed Virgin Mary by imitating her hidden life
- ❖ Encourage others by good examples and deeds
- ❖ Pray for the world and its needs through the recitation of the Rosary

The Renovation

We have completed the first phase of the renovation of the resident rooms in the original wing. The three new rooms, which include two single rooms and a double occupancy, are more modern, spacious, and increase accessibility for the residents and their nursing staff. We also upgraded the common use restroom, utility room, and lift storage room. We have just begun phase two, which is the renovation on four resident rooms. We want to thank all of you for your prayers, thoughts, and support because these improvements could not be possible without our friends. We truly have much to be thankful for this Christmas Season and always!

Rain AND Shine!!

We would like to thank everyone for your support, thoughts, and prayers in making our 13th Golf Tournament a huge success! As we all know very well, we had a very wet summer and fall, so it was a bit soggy outside, but the sun did manage to peak out of the skies to make it a very memorable day for all who played and volunteered.

To work in a long term care facility, as a caregiver, it MUST start with a big heart full of love!

Conversation with a retired Sister...

~ Keep moving, do not give up for it is God's will that I am still here
~ As long as I am living, I can help and am needed whether physically or spiritually.
~ My purpose is to praise God, love Him, and serve Him and His children.
~ We are all God's children called to love Him, as well as love and help each other to grow in Holiness. This is our goal.
